Il percorso

Year 1–2

Students strengthen the **four key language skills** (reading, writing, listening and speaking).

Joint lessons with Business Studies, Economics and Law teachers support projects on graphs, economic and financial information, the financial system and money.

Year 3–5

Students build a **Business Portfolio** through lessons with a **native English-speaking teacher**.

Activities include writing CVs, cover letters and formal emails, conducting meetings, delivering presentations, preparing reports and analysing financial data.

In Year 5, selected modules are also delivered through the **CLIL** methodology.

CLIL = Content and Language Integrated Learning
